Birds

Birds are awesome, and there are so many fun ways to learn about them! This meeting is divided into two sections: learning how birds eat and then doing a birdwatching activity.

- Opening Ceremony
- What kinds of birds are there? What birds live near you?
- Bird Beak Lab
    - How do different beaks work to eat different types of food?
- Make bird feeders from recycled materials
- Story and Snack Time
- Steam off game
- Birdwatching activity
    - What types of birds do you see?
    - How many can you count?
    - What are they doing?
- Draw a picture of the birds you see
- Closing Ceremony

Related Activites:

- Bird Beak Lab
- Birdwatching

Items Needed:

- Materials for Bird Beak Lab
- Materials to make bird feeders (recycled milk jugs work well, or you could use pine cones)
- Paper and colored pencils for drawing
- (Optional) Bird Identification Guide
- (Optional) Binoculars

Badge Requirements Covered:

Tan Handicraft Paw

- Draw a picture of a scene or event
- Make a bird feeder from recycled materials

otter, draw a scene or event, bird feeder
