

# Track & Field Day

*This meeting allows kids to check off the physical requirement for the first star and also covers a lot of the requirements for the athlete badge. If you can hold this at a location that has some things set up (a track, or a preset climbing rope), it will make it easier. This is also a good opportunity to have the kids cheer for each other. Remind the kids to wear good running shoes and try to time this meeting for when it's not too hot out.*

- Opening Ceremony
- Physical Activity Obstacle Course
  - 4+ physical activities from page 44 in the Timberwolf Handbook
  - Have the kids do it in pairs so they can do leapfrog and toss a ball back and forth
  - A weighted stuffed animal makes a great object to balance on their head
- Athlete Badge Stations
  - 50 Yard Sprint
    - Having two kids go simultaneously can sometimes help them run faster.
  - High Jump
  - Long Jump
  - Rope or Tree Climb
  - Ball Throw
- Closing Ceremony
